Clean Storm 349020, 18-Gallon Aluminum Gas Fuel Cell Tank for Truck Mounts, Generators & More, Bolt Down

Manufacturer: Clean Storm

Clean Storm 349020, 18-Gallon Aluminum Gas Fuel Cell Tank for Truck Mounts, Generators & More, Bolt Down

Description

The Clean Storm 349020 18-Gallon Gas Fuel Cell Tank provides a reliable, high-capacity fuel solution for your truck mounts, trailer-mounted equipment, boats, and generators—eliminating the hassle of trying to tie directly into your vehicle's existing fuel system. Constructed from heavy-duty, durable .090 aluminum, this general-purpose fuel tank is engineered for exterior mounting and built for long-lasting performance in demanding environments.

This versatile tank offers expanded fuel capacity and extended run times for pressure washers, pontoon boats, specialty equipment, and carpet cleaning setups. Designed for flexible setup, it can be easily bolted down for permanent installation or used in portable applications. Equipped with an integrated sending unit, pickup tube, fuel fill neck, and vented cap, this USA-made unit is ready to support your commercial or recreational fuel delivery needs.

Notice: This item drop-ships directly from the manufacturer. Please allow up to two weeks for delivery.

Features

- Independent Fuel Source: Supplies your truck mount or specialty equipment without tapping into your truck's OEM fuel line.
- Heavy-Duty Construction: Built from robust .090 grade aluminum designed for harsh exterior conditions.
- Complete Kit Setup: Includes a fuel sending unit, fuel pickup tube, integrated fuel fill neck, and a vented cap.
- Versatile Compatibility: Safe for use with both gas and diesel fuels across a wide range of machinery.
- Flexible Mounting Options: Pre-designed for easy bolt-down installation for permanent setups or portable configurations on trailers, boats, and truck beds.
- American Made: Proudly manufactured in the U.S.A.
