Clean Storm 25144, 150 Gallon Pickup Utility & Agricultural Water Tank, FDA Approved

Manufacturer: Clean Storm

Clean Storm 25144, 150 Gallon Pickup Utility & Agricultural Water Tank, FDA Approved

Description

Maximize your truck's hauling capability with this versatile 150-gallon pickup utility and agricultural tank. Custom-designed to fit neatly between and over the wheel wells of standard pickup truck beds, this space-saving tank is engineered for heavy-duty liquid transport and storage. Constructed from high-density, nonporous linear resin, it resists impact damage—even in freezing temperatures—and offers superior resistance against chemical corrosion. This tank is FDA approved for safe drinking water storage, making it an ideal choice for agricultural spraying, livestock watering, emergency water storage, or liquid transport. It features built-in ultraviolet (UV) inhibitors for long-term outdoor durability, translucent walls with easy-to-read gallon volume indicators, a heavy-duty 10-inch threaded opening with a vented lid, and a self-draining "champagne bottle" bottom paired with a 2-inch outlet and siphon tube for complete drainage.

Features

- FDA Approved: Certified safe for potable drinking water storage and food-grade applications.
- Truck Bed Fit: Uniquely shaped to fit comfortably between and over pickup truck wheel wells to maximize bed space.
- Durable Linear Resin Construction: Nonporous material significantly reduces cross-contamination risk while providing impact resistance, even in low temperatures.
- Chemical & UV Resistant: Built-in ultraviolet inhibitors protect against sun degrade, chemical corrosion, and environmental wear.
- Translucent Wall & Volume Indicators: Easily view fluid levels at a glance with molded-in gallon markers.
- Efficient Drainage System: Features a "champagne bottle" contoured bottom and a 2-inch outlet with an integrated siphon tube for maximum discharge.
- Secure Fill Port: Equipped with a large 10-inch threaded opening and a vented cap for easy filling and pressure management.

Specifications

Parts & Accessories > Tanks: Fuel, Water, Vacuum > Clean Storm 25144, 150 Gallon Pickup Utility & Agricultural Water Tank, FDA Approved

Clean Storm 25144, 150 Gallon Pickup Utility & Agricultural Water Tank, FDA Approved

Capacity
150 Gallons

Material
Nonporous Linear Resin (FDA Approved)

Diameter
54 1/4 in.

Height
22 in.

Fill Opening
10 in. Threaded Opening with Vented Lid

Outlet / Drain
2 in. Outlet with Siphon Tube

Bottom Design
"Champagne Bottle" Self-Draining Bottom

UV Protection
Integrated UV Inhibitors
