Pullman Holt HEPA Vacuum Model 45 Dry Only 2HP 10Gal, accessories included B160414 591219401

Manufacturer: Pullman Holt

45HEPA-D 1.5HP DRY W/TLS 115V

Equipped with a powerful 2-hp motor and an extra large capacity HEPA filter system, the model 45 offers the air flow efficiency of vacuums costing three times as much. The model 45 is manufactured to the same high standards as our large industrial HEPA vacuums, so it will withstand years of hard use. Designed for professional cleaning in abatement, restoration and construction job sites, the model 45HEPA is compact and portable. It also meets the latest EPA regulations for recovering lead dust (RRP). Includes a full assortment of attachments.

- High efficiency 'Drop-in' style HEPA filter is individually tested and certified to have a minimum efficiency of 99.97% at .3 microns (based on 1EST-RP-CC001 particle count test method).
- Includes Pullman-Holt's exclusive 'never-clog' dacron bag for superior pre-filtration.
- Blow molded poly canister with low center of gravity design prevents tipping.
- Positive locking, full swivel hose connection system for easy handling and operation.
- Low noise allows for use in sound sensitive areas.
- 25 foot power cord.
- 3 labels to choose from: HEPA, Asbestos and Lead.

Includes tool kit:

- crush proof hose assembly
- steel double bend wand
- floor brush, crevice tool and dusting brush.
