Model Number: 10-30P25-20r

Electrical Converter 230 Volt 3 wire/prong 30 amp (10-30P) TO 115 Volt 2 Gang 5-20R (4 outlets)  
Adapter [10-30P25-20r]

Manufacturer: Clean Storm

Plugs into standard electric 3 prong dryer plug or commercial coffee machine outlet to convert to 2 separate 20 Amp circuits. Use to run 4 dehumidifiers, pressure washer, or industrial multi corded extractor. Plastic electrical box and cover will not rust, fade, peel, chemical and water resistant. Available with dual GFCI breakers with dual 25 amp high amp breakers

Temporary power distribution box  
Construction spider box

Note: User assumes all responsibility on use. It is the users responsibility to check the inbound voltage, outbound voltage, and total amp draw to verify these are not going to be overloaded. The user agrees to test the amp draw of any appliance or machine that they plug into these converters to ensure they are not being overloaded. Meters are cheap and mistakes are expensive. You can purchase a meter at <http://www.steam-brite.com/voltage-meter-multimeter-p-6259.html>  
User agrees to hold Steam Brite, its employees, and agents harmless in the event of any use of said use of converter. The user agrees to not hold SteamBrite and all employee against any problems that arise out of the use of said converters.  
Remember, just because it plugs in does not mean it is OK to use!
