Clean Storm AS60-CS, Pressure Wash Gun Assembly, 1676-1722

Description

The Clean Storm AS60-CS Pressure Wash Gun Assembly is an industrial-grade spray gun engineered for heavy-duty cleaning operations. Designed to handle continuous use with hot liquid solutions, this assembly features a fully insulated body and extension wand to ensure operator safety and comfort during high-temperature applications. Equipped with a high-efficiency 1506 spray jet nozzle and a standard 1/4" male quick connect fitting, it delivers reliable high-pressure performance across a wide range of commercial pressure washing applications.

Features

- High Pressure Rated: Capable of managing operating pressures up to 1500 PSI.
- Thermal Protection: Fully insulated gun body designed safely for high-temperature and hot water cleaning solutions.
- Durable Construction: Features a robust 24" to 36" straight brass extension pipe, fully insulated for added protection and durability.
- Precision Cleaning Jet: Factory-installed with a 1506 nozzle jet for optimal flow rate and consistent spray pattern.
- Universal Compatibility: Includes a standard 1/4" male quick connect inlet/outlet for swift and hassle-free attachment changes.
