PowrFlite PAS20E Electric 20in 115 volt Plug In Powered Automatic Scrubber

The new PAS20E features aggressive cleaning power with plenty of floating contouring brush pressure. To get this pressure with other scrubbers, you have to use a fixed setting. The easy to use PAS20E features a 20 inch cleaning path that fits easily through doorways and into tight spaces. And thick slurry is no match for the 3-stage suction motor that vacuums up the waste at all speed settings. Maintenance is made simpler with easy access to batteries, vacuum motors and tanks, and with lifetime lubrication on the differential motor. The PAS20E Electric operated scrubber provides a never ending run time for continuous scrubbing power.

EQUIPMENT WARRANTY INFORMATION

All Powr-Flite equipment has been carefully tested and inspected at the factory. It is guaranteed, subject to the terms stated in this warranty, to be free of defects in materials and workmanship. We will repair or replace any parts which, upon examination, prove to be defective in material and workmanship. For warranty claims, call our Customer Service Department.

NOTE: Electric cable switches, carbon brushes and couplings are excepted from these guarantees, but the purchaser is assured meticulous care has been exercised in the selection, assembling and testing of these parts before shipping. This warranty does not apply to damage caused by accident, misuse, negligence, abuse, fire or to any Powr-Flite product which has been repaired by other than an authorized Powr-Flite distributor or factory personnel. Warranty is void if products are used for any purpose other than that which was intended. Please read instruction manuals and maintenance instructions carefully.
