# Clean Storm 20140210, 2in FIP x 2in Barbed 90Â° Plastic Elbow Fitting

Model Number: 20140210

Clean Storm 20140210, 2in FIP x 2in Barbed 90Â° Plastic Elbow Fitting

Manufacturer: Clean Storm

Clean Storm 20140210, 2in FIP x 2in Barbed 90° Plastic Elbow Fitting

Description

The Clean Storm 20140210 Plastic Elbow Fitting is a high-durability 90-degree adapter designed for efficient fluid transfer and secure plumbing connections. Featuring a 2-inch Female Iron Pipe (FIP) threaded end and a 2-inch barbed hose connector, this fitting provides a tight, leak-resistant connection between threaded pipe fittings and flexible vacuum or discharge hoses.

Engineered from heavy-duty plastic, this elbow fitting resists chemical wear, corrosion, and impact, making it an ideal choice for carpet extraction equipment, flood restoration systems, industrial liquid handling, and agricultural spraying setups where tight-angle hose routing is required.

Features

- 90-Degree Angle: Optimizes hose routing in tight spaces and prevents hose kinking under vacuum or pressure.
- Dual Connection Ends: Features a 2" FIP threaded connection on one side and a 2" hose barb on the other.
- Durable Construction: Made from high-grade chemical and corrosion-resistant plastic for long-lasting performance.
- Secure Fit: Precision-molded barbs hold hoses firmly in place when paired with standard hose clamps.
- Versatile Application: Perfect for carpet cleaning extractors, restoration equipment, industrial plumbing, and agricultural sprayers.

Specifications

Brand
Clean Storm

Part Number / MPN
20140210

Connection Type 1
2" FIP (Female Iron Pipe Thread)

Steambrite Supply

# Clean Storm 20140210, 2in FIP x 2in Barbed 90Â° Plastic Elbow Fitting

Connection Type 2
2" Hose Barb

Angle
90 Degree Elbow

Material
Heavy-Duty Plastic / Polypropylene

Color
Black

Item Type
Hose Cuff Connector / Pipe Fitting Adapter
