1500 RPM Electric Burnisher - **CLOSEOUT**

Heavy traffic leaving your floors scuffed and marked? Use Powr-Flite’s P1500-3 to remove scuff and heel marks typically left behind by belt drive or divided weight burnishers. Our compact design offers easy maneuverability and total operator control of the pad pressure. The P1500-3 provides results that surpass higher revolution burnishers because of the combination of pad pressure, speed and operator control.

Product Features:

NEW one piece all metal handle housing, tube and trigger assembly for aggressive cleaning

Direct drive no belt or gear

Patented one-piece housing totally encloses wiring and protects motor

Pad wear level control

EQUIPMENT WARRANTY INFORMATION

All Powr-Flite equipment has been carefully tested and inspected at the factory. It is guaranteed, subject to the terms stated in this warranty, to be free of defects in materials and workmanship. We will repair or replace any parts which, upon examination, prove to be defective in material and workmanship. For warranty claims, call our Customer Service Department.

NOTE: Electric cable switches, carbon brushes and couplings are excepted from these guarantees, but the purchaser is assured meticulous care has been exercised in the selection, assembling and testing of these parts before shipping. This warranty does not apply to damage caused by accident, misuse, negligence, abuse, fire or to any Powr-Flite product which has been repaired by other than an authorized Powr-Flite distributor or factory personnel. Warranty is void if products are used for any purpose other than that which was intended. Please read instruction manuals and maintenance instructions carefully.
