Powr-Flite PS900BC, Piranha 36 inch Sweeper with battery and charger Freight Included

Model Number: PS900BC

Powr-Flite PS900BC, Piranha 36 inch Sweeper with battery and charger Freight Included

Manufacturer: Powr-Flite

Piranha Industrial Sweepers

Increase performance with a Piranha Industrial Sweeper when the job is too big for a broom!

When you are faced with the big jobs, the large buildings, parking lots, or public areas, Powr-Flite's Piranha sweepers are the professional’s tool of choice. Piranha sweepers allow you to sweep thousands of square feet per hour, picking up debris that would clog conventional vacuums. Our line of commercial sweepers features one manual model and two battery operated sweepers. The Piranha manual sweeper is our most economical sweeper but packs feature after feature into a sweeper that is still lightweight and folds for storage. The battery operated Piranhas feature efficient, dust-free sweeping of small to medium sized areas both indoors and out and include our patented filter cleaning mechanism to keep the filter clean for continuous operation even when cleaning surfaces that are heavily covered with fine dust. But best of all, these sweepers are extremely easy to use. The variable speed drive allows easy sweeping on a variety of floor surfaces and the differential axle make the sweepers very maneuverable.

Please note the use of sweeper is desinged to pick up trash and not super fine particles. Some dust can become air born with the use of this indoors. In other words this is not neccessarily a 100% dust free piece of equipment.
Piranha 36 inch Sweeper Freight Included

Powr-Flite PS900BC, Piranha 36 inch Sweeper with battery and charger Freight Included

The PS900 provides up to 3 hours of continuous run time with a work rating of 43,050 square feet per hour. Extremely easy to use, the PS900 has free-wheel drive where the power of the motor is transferred to both drive wheels simultaneously. The result - perfect handling even when cornering. The PS900 can go anywhere! The main broom and side brushes feature variable adjustment for different terrains and the rear axle drive means the PS900 can climb ramps with a grade of up to 18 degrees. Use the PS900 in any commercial operation; large production plants, car garages, parks...any area where interior or exterior areas must be swept quickly, efficiently and dust-free.

Product Features:

Battery powered with 3 hour continuous run time for maximum productivity

Super quiet operation, the 65 dB rating allows workers to sweep in close proximity to offices without disturbing anyone inside

High filtration dust filter efficiently traps fine dust keeping it contained and from being released back into the air

Large 13 gallon dirt collector can be filled at 75% capacity…much higher than traditional sweepers

Uses Quadra Brush System for efficient dust and debris containment

EQUIPMENT WARRANTY INFORMATION
All Powr-Flite equipment has been carefully tested and inspected at the factory. It is guaranteed, subject to the terms stated in this warranty, to be free of defects in materials and workmanship. We will repair or replace any parts which, upon examination, prove to be defective in material and workmanship. For warranty claims, call our Customer Service Department.

NOTE: Electric cable switches, carbon brushes and couplings are excepted from these guarantees, but the purchaser is assured meticulous care has been exercised in the selection, assembling and testing of these parts before shipping. This warranty does not apply to damage caused by accident, misuse, negligence, abuse, fire or to any Powr-Flite product which has been repaired by other than an authorized Powr-Flite distributor or factory personnel. Warranty is void if products are used for any purpose other than that which was intended. Please read instruction manuals and maintenance instructions carefully.
