EPA registration no.:	70385-5
Appearance:	Transparent
Flash point :	102°F | 38.9°C
Specific gravity:	0.97
Odor:	Pleasant

Directions

Use full strength. Do not dilute.

Surfaces and objects must be cleaned of gross filth with suitable detergent before treatment. Spray surfaces and articles until thoroughly wet, use enough so that treated surfaces and objects remain wet for at least 10 to 20 minutes. May be applied with a sponge to impervious covers and surfaces, allowing to dry for 10 minutes. For fogging and other large volume applications use appropriate spraying equipment, protective clothing, gloves and respirator. Heavily treated spaces should be adequately ventilated and not reentered for at least one hour after treatment. See label for additional instructions.

Safety Cautions

Keep out of reach of children!

Limit stock items.
All sales are final. Some items could have extended delivery time frames.

You have two options on this item.
Be placed on a no charge waiting list OR you complete your order and you are charged for the order and you're next. All sales are final. This mean no refunds. Paid orders will be filled before any non paid customers are called/emailed. We strongly recommend that you order and are next in line! Customer that want to be email/called without paying for the item, honestly will never get any product as their are too many customer that are willing to pay and be next in line. Theoretically even paid customers might have to wait a month or more to get their products. So far this has not happened but it could.
