Clean Storm AH34, Carpet Cleaning Vacuum Hose, 50 ft x 1.5 in ID, with Cuffs
Description
Engineered as one of the carpet cleaning industry's most durable vacuum solutions, the Clean Storm AH34 features double-walled thickness to withstand rigorous daily professional use. Designed with a smooth, free-flowing inner bore that maintains high CFM performance, this 50-foot heavy-duty hose prevents collapsing under high heat and high vacuum conditions. Ideal for portable extractor applications and as a lead vacuum line for truckmount systems, it safely handles constant working temperatures up to 240°F at the truck and comes equipped with securely glued cuffs for immediate reliability.
Features

- 50-foot length with a 1.5-inch inner diameter (ID)
- Double-lined, double-wall thickness construction for ultimate durability
- Smooth internal bore maintains high CFM airflow performance
- Resists collapsing under high heat and high vacuum operation
- Rated for constant working temperatures up to 240°F at the truck
- Includes two pre-glued hose cuffs for ready-to-use convenience
- Versatile application suitable for portables and truckmount lead lines
