Buy More, \$ave More!

This hose is used for portable applications and lead hose vacuum lines for truckmounts. Smooth, free-flowing inside bore keeps your CFM high, and the strong and durable construction keeps it from collapsing when using high heat and high vacuum. The Super Truckmount hose can be used with constant working temperatures up to 240° F at the truck.

Hose cuffs are glued on.

If you want to use a different cuff, you will have to cut off the glued on cuffs.
