PowrFlite PF27HM HEPA 20Gallon 94 CFM Wet/Dry Vacuum

Model Number: PF27HM

PowrFlite PF27HM HEPA 20Gallon 94 CFM Wet/Dry Vacuum

Manufacturer: Powr-Flite

Powr-Flite’s HEPA wet/dry vacuums are certified with total HEPA filtration at 99.97% at 0.3 microns. rating of efficiency tested using the HOT DOP method @ 94 CFM. The HEPA filters system consists of a certified absolute filter, double layer intermediary glass filter and totally enclosed two ply disposable paper filter system. The triple filtration allows maximum cleaning suction while protecting the HEPA filter. Easy to maneuver with 360º swivel casters, while the oversized wheels provide easier movement up and down stairs. Both models are UL and CSA listed.

Requires HMK1 wet conversion kit for wet pickup.

20 gallon HEPA Heavy-Duty Wet/Dry Tank Vacuum with Epoxy Tank and tool kit

Rated for constant industrial pick up, these heavy-duty wetdry vacuums feature double sealed motor bearings with extra shielding to keep moisture and dirt out of the bearings...the main cause of motor failure. These wetdry vacuums feature a 2.5 peak hp motor with a high volume blower port that allows clean dry air to cool the motor and moist or dirty air to bypass it.
HEPA Model EPA approved for lead paint removal
