Crafted to deliver a premium cleaning experience.

2018 Master Cleaners Choice Award for Best Trailer Design.
The study examines the assessments of design, content, layout and performance.
Read more about "Truck Mount Comparison Chart by Performance and Dollar Spent."
Owner Rated 20181105 Start up Package at the very Top!

The first ever compact combination package for all surface types.

Posted some of the highest scores recorded in truckmount start up packages.

Clean Storm 20181105 welcomes your with premium materials and attention to detail.
Beautifully styled, thoughtfully appointed, designed, and impeccably crafted.
"The Clean Storm 20181105 package incarnates SteamBrite's commitment to producing quality trailers that are as safe as functional as they are refined."
Incorporates exclusive design cues, advanced technologies and extensive list of amenities to elevate the Clean Storm experience beyond your expectations.
You will see powder coated steel frame, powder coated and stainless steel reels, and diamond plated decking rolling on chrome wheels.
Provides the recommended 60/40 trailer weight distribution for optimum traction control.
Four hose reels keeps your organized and on track making money fast.
Top trim level package.

Just one clean will confirm that the SteamStorm TM33-340 is endowed with agile cleaning dynamics as well as a wealth of 35+ years of technologies designed to help you professionally make your way through the day.
Massive 442,300 Performance Units - Cleans Faster, and Hotter than other packages.

KEY FEATURES: Up sell every job and every stop!
With power comes confidence, and with the TM33-340 puts you comfortable in command thanks to its combined 33 HP engines, 4.8 gpm water pump, 73,000 Vacuum unit flood pumper, 30 gpm auto dump, 350,000 BTU dial in water heating

Steambrite Supply

Clean Storm 20181105, Complete Tile, Carpet, Pressure Washing, Flood Extraction, Air Duct, Start Up Business Package

system.
Every minute should be time well spent: No more wasted trips to go back to the shop to pick up a pressure washer, and pick up a flood extraction machine, or pick up an air duct cleaning unit, what every you need, this machine will complete the task in less time.
Today's economy requires a versatile business.
Faster return on investment (ROI)
Carry up to 200 gallons of water with you! (100% more than other systems)
Auto Pump-out for non stop cleaning and flood extraction. (Dual Discharge - Cleaning auto pumps out through garden hose at 15 gpm, Flood water extraction work auto pump out through 1.5" hose at 30 gpm)
Operates 350 feet of hose with ease. (more than enough cleaning distance to clean 99.9% of every job in your carrier time frame)
Maintain 250 degrees F with laying on the trigger full time. (try this with a traditional truck mount and it might provide 165 degree water)
You are in full control: Instantly toggle back and forth between all pressure ranges and temperature ranges, with and without vacuum, all with filtering automatic discharge.
Best in class.

VERSATILE AND POWERFUL: No more walking away from surface types other package cannot clean.
More business opportunities including but not limited to:
Tile and Grout Cleaning, Sealing, Staining (1500 psi @ 235 degrees)

Question and Answers:
Q:
Is this everything I am going to need to start my business?
A: No, you will always be asked to cleaning something you never cleaned before and will have to add to your tool set. This is just a good start.

Truckmounts: A thing of the past?
Are traditional truckmounts are becoming a thing of the past. While they do offer more clean units that portables, they have become limited in the amount of heat and pressure required to clean more than just carpet cleaning. Most truckmounts can only offer pressures up to 2000 psi and heat up to 200,000 BTU. We see the future in more synergisitic packages. In the definition of synergy: "the interaction or cooperation of two or more organizations, substances, or other agents to produce a combined effect greater than the sum of their separate effects." In this case if I own a pressure washer, I can perform all the surfaces cleaning this machine offers - driveway, fence, deck, sidewalk... When you own a flood water extraction unit, you can offer that type of work plus air duct cleaning. But join them together, you can still perform pressure washing, and flood water extraction but now you can also perform carpet cleaning, tile cleaning, mattress cleaning and all the indoor soft surface work too. The synergistic approach offer more surface types for less investment.

Confidence You Can Count On Business Partner:
Spend the day with the Clean Storm 20181105 Package to see how this synergistic package merges versatility with style.
Although steeped in history, SteamBrite has always been an innovative company

Steambrite Supply

Clean Storm 20181105, Complete Tile, Carpet, Pressure Washing, Flood Extraction, Air Duct, Start Up Business Package

looking toward the future. In the 1970's rotary shampooing the the procedure for cleaning. In 1981 we started manufacturing chemicals, portables, and truckmounted cleaning systems. This picked up the pace for cleaning larger locations, restaurants, hotels, movie theaters, and ball rooms. Today we see a much larger variety of surface types. More hard surfaces, more tile, more stained concrete with carpeting. Today's business model requires you to be prepared for what ever life throws at you. Even in the study of meteorology and weather patterns, you need to be prepared and ready to help your city in there time of need. The needs of your district will drive your profits. Make your stance, be prepared, create opportunities, protect your family, and make your future with a Clean Storm 20181105 business package!
