TESTIMONIALS
Our company has used these machines for more than 10 years in our business. The SC4 is durable, easy to maintain, and provides professional results. I highly recommend it.
Jon Questell, New System Janitorial
St. Louis, MO

We've used the Equipure machine in our commercial and residential rental real estate businesses for some time now with great results. We are able to meet or exceed the performance of professional carpet cleaning services with greater convenience and less cost.
