Mytee 8314T Titanium Bentley 14 Inch 5 jet Swivel Head Carpet Cleaning Wand

Manufacturer: Mytee Products Inc

Mytee 8314T Titanium 14" 5 Jet Carpet Cleaning Wand

The best high performance carpet wand in the industry.

Mytee® has revolutionized carpet cleaning with our cutting-edge Bentley® Carpet Wand. We've created the Bentley® Carpet Wand with innovative features and design elements that will take your carpet cleaning capabilities to the next level.

Built from durable titanium, the Bentley® lightweight and ergonomic design reduces operator strain and fatigue caused by standard cleaning wands. Its 2" vacuum tube and specially designed wand head maximizes airflow for optimal recovery, while its five solution jets give you total coverage for the ultimate cleaning performance.

Don't settle for less than the best. The 8314T Bentley® Carpet Wand is comes with a sizing adjustment guide and tube coupler, so you can customize the height of your wand for your perfect fit.

Features:

- Durable titanium tube
- 2" vacuum tube and specially designed vacuum head allows for maximum CFM
- Swivel head which allows the wand to run almost completely flat—clean under furniture without having to move it
- Built-in sight window allows you to monitor dirt and grime extraction
- Polished aluminum die-cast head with spray shields
- Stainless steel glide with Positive Ventilation® makes movement over carpet easier and allows for maximum recovery
- FeatherTouch® solution spray valve

Includes:

Adjustable height wand coupler—custom tailor your wand to your height for the perfect fit.
