Model Number: Air23

Clean Storm Air23, Carpet Cleaning Machine Vacuum Booster, Exhaust Mount, 2-4 Week Build Time

Manufacturer: Clean Storm

Clean Storm Air-23 Carpet Cleaning Machine Vacuum Booster Air 23 Exhaust mount
High Performance
2-4 Week Build Time!
Description
New design being released December 2019 New smaller compact size.
Dual 3 Stage Vacuum motors operating on dual power cord design means you do not have to find dedicated 20 amp breaker like the Air-23LA model!
Can be converted to dual 2 stage motor if needed to run on one power cord @ 15 amps.

Picture to Right shows old 2 stage Style

Specfication
