Rocker Switch 2 Way Off/On 4 Pinned Ninja Diamondback 330-02 86201640 8.620-164.0 72130

Model Number: 330-02

Rocker Switch 2 Way Off/On 4 Pinned Ninja Diamondback 330-02 86201640 8.620-164.0 72130

Manufacturer: Clean Storm

Cleaning machine Rocker switch
This part number has 4 Pins on Back
SPST Single throw Single Through, mean only 2 positions, on or off
Double pole: means it can control two different items at the same time. (4 pins on back)
You can use a 4-pin connection switch to fix a 2-pin rocker switch, you simply do not use 2 of the wire connections.
20 amp 125- 277vac
1-1/2 HP rated @125 VAC
2 HP rated @ 250 volts
Made in Mexico
Will work and fit as a replacement for 2 pinned switches of the same size.
Fits in a 3/4" X 1-1/2" hole

Fits Century 400, Diamondback, Karcher, Esteam, Thermax, and Kleenrite branded extractors
