Nikro 860845 25 ft Whip And Blast Duct Cleaner Hose System
Description
Nikro manufactures and offers a full line of air tools and air cleaning systems for the proper agitation and cleaning of all types of duct work. Our quick connect cleaning systems provide a fast and easy way to interchange a variety of air blast whips and nozzles.

Flexible yet rigid enough to prevent nozzle from curling back at you.

Recommend for use with 150-200 psi air compressor to operate the whip and blast assembly.
12+ CFM for best results
