

Model Number: SL4000

Nikro SL4000 Dual Motor and Blower unit 115V Electric System

Manufacturer: Nikro

Product Name: Air Duct Cleaning System (Dual Motor)

Product Number: SL4000

Product Description

Dual motor and blower unit, this powerful and extremely portable duct cleaning system is ideal for residential and light commercial air duct cleaning. The slim, narrow three piece design allows the system to be maneuvered through the tightest doorways and staircases. These systems feature a unique 3-stage filtration system, including a final stage 99.97% HEPA filter to assure you that only absolute clean air will be returned back into the environment.

The dual backward incline 1.5 H.P. motor and blower assemblies create a powerful vacuum and allows you to clean-up with confidence. This unit includes 1-12" x 25' PVC Flex Duct, 2-Quick Connect Hose Clamps, and 1-Duct Mounting Flange. 3 year warranty.

Product Specifications

C.F.M.:
5000 (Free Air)
