Model Number: ANT28

Hydrotek ANT28 Hydro Twister 28in Professional Surface Spinner Wand

Manufacturer: Hydrotek

Professional HYDRO TWISTER

The Hydro Twister®; ANT20 and ANT28 are surface cleaners that connect to a pressure washer and uses two nozzles rotating at a high RPM within 1" of the ground. It will clean concrete at up to 15 times the speed of an operator using a wand and with more consistency and less operator fatigue. Simply move the Hydro Twister®; over the surface and watch a clean path appear behind the unit.

## Brochure

The Hydro Twister®; is a surface cleaner that connects to a pressure washer and uses two nozzles rotating at a high speed within 1" of the ground. It will clean concrete at up to 15 times the speed of an operator using a wand and with more consistency and less operator fatigue. Simply move the twister over the surface and watch a clean path appear behind the unit.
