Pullman Holt F1700 Axial Fan 2 Speed 3000 cfm B200741

Model Number: B200741

Pullman Holt F1700 Axial Fan 2 Speed 3000 cfm B200741

Manufacturer: Pullman Holt

Introducing Pullman-Holt’s new axial fan,
model BAF3000. Built for the cleaning and restoration professional, the incredibly versatile fan dries rooms fast and effectively from anyone of its many operating positions. Solid construction using rotational-molded polyethylene housing and continuous duty components will ensure that the BAF3000 will survive the day-in and day-out use in the most abusive environments. Producing 3000CFM at a low draw of 2 amps of power, you will be impressed with the high-volume, high-velocity airflow of this super drying machine.

For optimum drying, direct the airflow where you want it.

Stack up to fine units. For downdrafting and mobility, order optional caster kit.
Connect up to 6 units on a single 15-amp circuit. Built-in GFCI protection.
Optional caster kit allows for downdraft to dry carpet quicker.

Specifications:

Amps	2.2
Motor	1/4HP
Speeds	2
CFM	3,000
Housing	Rotational molded polyethylene
Fan Blades
