Description

Easily quick-connect this Clean Storm bent rain gutter lance attachment to any standard lance or extension wand to clear out gutters and reach difficult, high-clearance areas safely from the ground. The angled design significantly improves reach and expands your pressure washer's cleaning capabilities without requiring dangerous ladders.

Features

- 12-inch angled lance extension optimized for clearing debris from rain gutters
- Standard 1/4" Quick Connect inlet and outlet fittings for fast attachment and nozzle pairing
- Durable zinc-plated construction built to withstand high pressure and harsh outdoor conditions
- Improves cleaning reach and angle in tight or elevated spaces
- Compatible with #5.0 or larger spray nozzles (5 GPM recommended)
