*Equipment: Air Duct Cleaning Machines > Air Duct Brushes & Attachments > Heat Seal SS10, Equipment 5 Forward Blowing Spinning Ball, for Scorpion*

# Heat Seal SS10, Equipment 5 Forward Blowing Spinning Ball, for Scorpion

Model Number: SS10

Heat Seal SS10, Equipment 5 Forward Blowing Spinning Ball, for Scorpion

Manufacturer: Heat Seal Equipment

Excels in small round ductwork especially in dryer vents. Because the end is alive or moving around all the time it finds its way around elbows much easier than other tools. Comes with male scorpion QD (SS14).

*Availability: This product was added to our catalog on Wednesday 03 December, 2008*
