HydroForce AW72 TOOL 1.5in METAL CREVICE

Model Number: AW72

HydroForce AW72 TOOL 1.5in METAL CREVICE

Manufacturer: HydroForce

The cleaning accessory that no cleaning professional should be without. This 14" metal crevice tool reaches those places where your wand won't. Great for cleaning the tight spots on upholstery jobs, and close to the wall.

Made from chrome over steel so it will rust after years of leaving in a humid environment.

Fits 1.5" vac hose.
