Description
Another great item to protect floors, carpets and furniture from damage by hot fittings. Get a grip on this indestructible connector cover that includes the female quick connect. With our best quality dual Viton o-ring heat insulated connector, the safe connect protects both the female and male side quick couplers. A great addition to the wand and machine ends of the hose. Prevents burned hands, chipping and scratching floors. Protects brass fittings.
Internal nipple stop helps prevents leaks and drips with not coupled together.
Helps prevent the out or roundness when your employees drop the hoses on the concrete before winding them up.
