Pullman Holt B100500 Commercial Canister Vacuum - Hank Jr. 4 Gal

Manufacturer: Pullman Holt

Features

- A quiet yet powerful 1.5 HP motor provides the suction of vacuums twice its size.
- Convenient onboard tools and power cord storage.
- Low profile design prevents tipping while providing greater mobility.
- Durable chrome plated steel tank is attractive yet rugged.
- Conveniently located foot activated on/off switch.

Hank Jr. is our smallest canister vacuum designed to outperform and outlast competitive vacuums in it's class. Hank Jr. has the pick-up power and performance for both commercial or domestic applications. A 1,200 watt, dual stage vacuum motor and extra large microfiber cloth filter bag, ensures maximum airflow for extra long work periods without stopping. Hank Jr. features a top-mounted cord reel providing superior ease of use of the 40ft power cord with fewer interruptions in cleaning, and convenient cord retraction and storage. A complete set of tools for above floor cleaning area also close-at-hand, when you need them, via an on-board tool caddy.
