Description
Specialised tools designed for sanding wooden floors. Revive and rejuvenate your wooden floors, bringing out their inherent charm and allure. These unique tools are tailored to restore the natural beauty of wooden floors, providing a step-by-step process for sanding and finishing. The Vari-Polish™ VS D tools enable you to gradually grind the wooden floors, preparing them for the final application of oil or wax to achieve a polished and refined finish. Restore the luster and elegance of your wooden floors with ease. The VELCRO® brand attachment ensures universal compatibility, allowing you to use these tools seamlessly with various types of machines.
Specifications
