Sapphire Scientific 68-032 Truckmount Water Pond Combination Tank and Electric  
Hose Reel Prochem 8.604-167.0 100629

#### Description

The cleaning and restoration industry's #1 selling fresh water tank! Featuring the ultimate combination of capacity, hose reels, and space saving design, the Water Pond has 120-gallon fresh water capacity for all day cleaning and an integrated 250-foot powered-retrieve vacuum hose reel and a 250-foot solution reel. The durable rotomolded polyethylene tank with steel frame and hose reel is designed to provide years of trouble free service. Easy installation in most vehicles &ndash; can be positioned for side or rear door access.

Formally called Blue Line.
