Automatically increases the impact of your pressure by 50%. Pressure wash at 1,000 psi with the same impact and effect as if your pressure were running at 1,500 psi. The amazing effect of this assembly comes from the PowerJet's oscillating nozzle. It delivers a round spray 15 degree pattern that's 50% more powerful than conventional flat spray results. The trigger assembly is rated at 2,500 psi and 202 degrees and includes a 18" extension. At 1,000 psi the unit will put out two gallons per minute and Turbo nozzle sprays up to 3.1 GPM at 2300 PSI and 194°F. Unique design delivers 0° high pressure impact with wide angle spray coverage. #3.0 size nozzle has 1/4in. inlet. Includes FREE quick-couple plug to change jet sizes as needed! Includes the carpet cleaners standard male 1/4" brass QD. Please note the color of the turbo nozzle is not guaranteed.
