We've been asked by Product Management to share that part number 8.710-017.0 - Clear Filter Housing is no longer available from our vendor, so we've switched to a similar part with the exception of the color, which is blue. The part number 8.710-017.0 will remain the same but note the color change going forward. We expect shipment of the blue filter housing to be available by February 1st. 2019
