Clean Storm 536169, Carpet and Tile Cleaning Machine Pressure Gauge, 2000 PSI Panel Back Mount

Model Number: 536169

Clean Storm 536169, Carpet and Tile Cleaning Machine Pressure Gauge, 2000 PSI Panel Back Mount

Manufacturer: Clean Storm

Clean Storm 536169, Carpet and Tile Cleaning Machine Pressure Gauge, 2000 PSI Panel Back Mount

Description

The Clean Storm 536169 is a heavy-duty 2 1/2 in. diameter pressure gauge engineered for carpet and tile cleaning machines. Built with a durable stainless steel case and glycerin filling to effectively handle high vibrations, this gauge ensures precise and reliable pressure readings. It is versatile and designed for use with air, gas, oil, and water. Proudly made in the U.S.A.

Important Note: Pressure gauge can and has been filled with dual PSI and Bar display versions (factory choice). Do not allow to freeze.

Features

- 2 1/2 in. diameter gauge with a sturdy stainless steel case
- Glycerin filled to handle more vibration and maintain pointer stability
- 1/4 in. MNPT brass stem with bronze tube and aluminum dial face
- Center back U-clamp mount made of cadmium-plated steel (Grade B)
- Dual PSI and Bar display versions available (factory choice)
- Designed for use with air, gas, oil, and water
- Mounting hole requirement: 2.475" or larger but less than 2.6"
- Made in the U.S.A.

Specifications

Brand
Clean Storm

Part Number / SKU
536169

Pressure Rating
2000 PSI

Dial Size
2 1/2 in.

> Clean Storm 536169, Carpet and Tile Cleaning Machine Pressure Gauge, 2000 PSI Panel Back Mount

Clean Storm 536169, Carpet and Tile Cleaning Machine Pressure Gauge, 2000 PSI Panel Back Mount

Case Material
Stainless Steel

Filling Type
Glycerin Filled

Stem Connection
1/4 in. MNPT Brass Stem

Tube Material
Bronze

Dial Face
Aluminum

Mounting Type
Center Back U-Clamp Mount (Cadmium-plated steel, Grade B)

Mounting Hole Size
2.475" to < 2.6"
