Manufacturer: HydroForce

HydroForce AR54G SX-7

The new design for the SX-7 expands on the versatility of the original by combining two tools into one. Instead of needing a tool for cleaning countertops and showers, and then another for cleaning floors, the SX-7 combines both a handheld and an upright tool into one. The SX-7's teardrop shape and front jet allows it to clean closer to walls and corners than any other tool on the market.

Orders can fill in black or blue. Final color or shade is not guaranteed.
