It uses a naturally derived botanical insecticidal ingredient and is approved for use on mattresses and soft surfaces, so it’s perfect for combating bed bugs. X-580 is also suitable for many decontamination applications including sewage backups, removal of carcasses, and more.

Please specify when ordering for delivery to California.

X-580 is not available in Canada.

As an insecticide, Microban X-590 kills roaches, fleas, ants, beetles, bedbugs and their larvae. And as a bactericide, Microban X-590 kills gram negative bacteria, the bacteria typically encountered in sewage backups and toilet overflow situations, and is EPA-registered for both spray and fogging application.
