Manufacturer: Chemspec

Microban Mediclean X-580 Institutional Spray Plus (Drum not pictured above)

Water-based bactericide, fungicide, deodorant, and insecticide in one unique formulation.

Just one application of Microban X-580 kills insects, mold, mildew and bacteria odors, plus provides long lasting residual protection. It uses a naturally derived botanical insecticidal ingredient and is approved for use on mattresses and soft surfaces, so it’s perfect for combating bed bugs. X-580 is also suitable for many decontamination applications including sewage backups, removal of carcasses, and more.

Please specify when ordering for delivery to California.

X-580 is not available in Canada.

As an insecticide, Microban X-580 kills roaches, fleas, ants, beetles, bedbugs and their larvae. And as a bactericide, Microban X-580 kills gram negative bacteria, the bacteria typically encountered in sewage backups and toilet overflow situations, and is EPA-registered for both spray and fogging application. Microban X-580 Institutional Spray Plus also protects stored fabrics against textile-destroying insects for up to six months.
