Prorestore Hypodermic Injection Syringe Unsmoke 102757000

Model Number: 102757000

Prorestore Hypodermic Injection Syringe Unsmoke 102757000

Manufacturer: Drieaz

ProRestore Injection Syringe

Fast and convenient application in hard-to-reach areas.

The Injection Syringe is ideal for injecting deodorants and antimicrobials into carpet, pad, or furniture. It’s also useful for injecting flooring adhesive into air pockets and small cavities.

The Injection Syringe is made with solvent-resistant plastic and includes one high strength stainless steel needle.

Specifications

Sold as a unit

One 60 mL syringe
One blunt 1½ in. needles
(you can sharpen the needle on a bench grinder)
