General Pump - Pump Protector 3/8in Mip 145 Degree Thermo Sensor Valve - 8.707-254.0 EAN 886622032892

Model Number: 87072540

General Pump - Pump Protector 3/8in Mip 145 Degree Thermo Sensor Valve - 8.707-254.0 EAN 886622032892

Manufacturer: General Pump

General Pump 8.707-254.0: Pump Protector
Description
Discharges water through the 1/4" barbed connection once the water temperature is over 145 degrees.
Turns back off once water temperature cools down.
Protects pump head from heat damage if pump is left in bypass mode (without spraying or using water)
Specification

- 145 Degree discharge
- 1/4" plastic barb connection
- 3/8in Mip
