Model Number: U1510

PMF U1510 Standard Upholstery Tool Open Spray Plastic Valve No QD Stainless Steel 1.5Inch Pipe Esteam 255-015 Powrflite AA163

Manufacturer: Production Metal Forming

PMF U1510 Standard 4 Inch Open Spray Upholstery Tool - 120 PSI Plastic Valve  
The PMF U1510 is a professional open-spray upholstery and detail cleaning tool built for carpet cleaners, auto detailers, portable extractors, and low-pressure non-heated cleaning systems. This tool is made with stainless steel construction, a 4 inch wide pickup head, and a 9 inch handle for cleaning furniture, stairs, cushions, fabric panels, vehicle interiors, and other small areas where a full-size wand is too large.

Also marketed under Powrflite AA163 and Esteam 255-015

Key Features

- PMF part number: U1510
- Tool style: Open spray upholstery hand tool
- Pressure rating: 120 PSI plastic Acetal valve
- Construction: Stainless steel body and handle
- Head width: 4 inch wide pickup head
- Handle length: 9 inch handle
- Jet: K2 standard jet, K1 optional
- Vacuum tube: 1.5 inch pipe
- Overspray control: Built-in overspray control holes
- Made by: Production Metal Forming / PMF

Best Uses

- Upholstery cleaning
- Auto detailing and vehicle interiors
- Furniture and fabric cleaning
- Small carpeted areas and spot cleaning
- Portable extractor hand tool work
- Non-heated low-pressure extractor systems

Important Pressure and Heat Note

This version uses a 120 PSI plastic valve and is best matched with low-pressure, non-heated machines. For heated extractors, truckmounts, or higher pressure cleaning systems, consider upgrading to a brass valve or higher pressure upholstery tool.

Open Spray vs. Side Shielded Spray

Feature

Open Spray U1510

Side Shielded Spray Tool

>

Spray visibility  
Easy to see spray pattern  
Spray is more contained

Overspray control  
Good, with control holes  
Better containment

Heat retention  
Lower  
Better

Best application  
General upholstery, spotting, auto detailing  
More controlled fabric cleaning

#### Quick Disconnects Are Not Included

This tool does not include quick disconnects. Please add the correct male, female, or matching quick disconnect set for your extractor, hose, or truckmount setup before checkout.

#### Common Questions

Will this work with my portable extractor?

Yes, this tool is commonly used with portable carpet extractors and detail machines, provided the pressure is compatible with the 120 PSI plastic valve.

Can I use this on a heated machine?

This plastic valve version is recommended for non-heated, low-pressure systems. For heated extractors or higher pressure systems, choose a brass valve or higher pressure upholstery tool.

Does this include the quick coupler?

No. Quick disconnects are sold separately so you can match the tool to your exact hose and machine connection.

What makes this better than a cheap upholstery tool?

The PMF U1510 uses stainless steel construction, a professional 4 inch pickup head, a standard serviceable jet setup, and is made by PMF, a long-time manufacturer of professional carpet cleaning wands and upholstery tools.

#### Suggested Add-On Items

- 1/4 inch male brass quick disconnect
- 1/4 inch female brass quick disconnect
- Male/female quick disconnect set
- Horse hair upholstery brush
- Upholstery prespray and rinse chemicals
