Model Number: U1530

PMF U1530 Low Profile Economy Upholstery Tool 120PSI 4In Clear Head Economy Aluminum Valve Low Pressure 1.5 Stainless Pipe

Manufacturer: Production Metal Forming

PMF U1530 Low Profile Economy Upholstery Tool - Aluminum Valve - 120 PSI

Part Number: U1530

The PMF U1530 is an economy low-profile upholstery and detail cleaning tool designed for use with low-pressure carpet extractors and spotting machines. This tool is a good choice for cleaning upholstery, auto interiors, stairs, cushions, fabric panels, and tight detail areas where a full-size wand is too large.

Best Use

- Upholstery cleaning
- Auto detailing and seats
- Small fabric panels
- Spotting and detail extraction
- Low-pressure portable extractors

Factory Listed Features

- 120 PSI rating
- Plastic valve
- 4 inch wide clear plastic head
- 9 inch stainless steel pipe
- Replaceable head for easier field repair
- Brass Vee jet
- 6 inch solution whip
- Made by Production Metal Forming / PMF

Important Pressure Warning

This is a 120 PSI economy upholstery tool. Do not use this tool with high-pressure truckmounts, pressure washers, or heated extractor systems that exceed the factory pressure rating. For higher-pressure cleaning, choose a brass-valve or stainless-valve upholstery tool rated for the pressure of your machine.

Quick Disconnects Not Included

Quick disconnects are not included with this tool. Please add the correct 1/4 inch brass quick disconnects to your order if needed.

- 1/4 inch male brass quick disconnect
- 1/4 inch female brass quick disconnect
- 1/4 inch male/female quick disconnect set

Why Choose the PMF U1530?

The U1530 gives you a low-cost upholstery cleaning option for light-duty and low-pressure extraction work. The clear 4 inch head helps you watch soil and water recovery while cleaning, and the compact design makes it easier to reach smaller areas than a standard carpet wand.

Recommended Customer Match

Customer Need
Is U1530 a Good Fit?

Low-pressure portable extractor under 120 PSI
Yes

Auto detailing seats and fabric
Yes

Basic upholstery cleaning
Yes

High-pressure truckmount use
No - choose a higher-pressure brass or stainless valve tool

Electric heater boosted extractor over 120 PSI
No

FAQ

Does this tool include quick disconnects?

No. Quick disconnects are sold separately so you can match the connector style used on your machine and hose.

Can I use this with a truckmount?

Only if the pressure is regulated below the factory 120 PSI rating. Most truckmount users should select a higher-pressure upholstery tool.

Is this good for auto detailing?

Yes, when used with a compatible low-pressure extractor. The compact 4 inch head works well for seats, cushions, and tight fabric areas.

Is this an open spray or closed spray tool?

This style is commonly used as an economy upholstery/detail extraction tool with a clear head and brass vee jet. Always verify spray style and pressure compatibility before ordering.

Suggested Add-On Items

- 1/4 inch brass male quick disconnect
- 1/4 inch brass female quick disconnect
- Horse hair upholstery brush
- Upholstery pre-spray
- Spotting towels

>

- Higher-pressure upholstery tool for truckmount users
