Model Number: U1570

PMF U1570 Easy Grip Tools 3-1/2in Wide Open Spray 6ft Hide A Hose 500Psi Brass Valve Hand Tool 1.5Inch Stainless Pipe

Manufacturer: Production Metal Forming

PMF U1570 Easy Grip 3-1/2" Open Spray Upholstery Tool with 6 ft Hide-A-Hose
The PMF U1570 is a 3-1/2 inch wide external open-spray upholstery and auto-detailing hand tool built for professional carpet cleaners, detailers, and truckmount or portable extractor users. The Easy Grip design hides the solution hose inside the vacuum hose, reducing hand fatigue and eliminating the bulky exposed pressure line normally found on standard upholstery tools.
Key Features

- 3-1/2" wide open spray detail head for upholstery, auto interiors, stairs, cushions, and tight cleaning areas
- 500 PSI forged brass valve for professional extractor use
- 6 ft, 1-1/4" Hide-A-Hose keeps the pressure line out of the operator’s hand
- 1-1/2" stainless steel vacuum hose joiner for fast connection to standard vacuum hose
- External spray design for direct solution application and aggressive rinse cleaning
- Works at low to high pressure settings; best cleaning results are typically achieved in the 50–150 PSI range

What You Get

- PMF U1570 Easy Grip 3-1/2" external spray hand tool
- 6 ft Hide-A-Hose assembly
- Forged brass 500 PSI valve
- 1-1/2" stainless vacuum hose connector

Important: Quick disconnects are not included. Select the correct male or female quick disconnect option before checkout if your extractor hose does not already match this tool.
Best Uses

- Automotive seats and carpet
- Upholstery cleaning
- Stairs and small carpeted areas
- Detail work where a full-size wand is too large

Why Choose the Easy Grip Hide-A-Hose Design?
Standard upholstery tools often leave the solution hose exposed, adding weight and clutter around the operator’s hand. The PMF Easy Grip design routes the solution hose inside the vacuum hose, giving the user a cleaner grip, better control, and less fatigue during long upholstery or auto-detailing jobs.
