Model Number: U1574S

PMF U1574S, Easy Grip Tools, 4-1/2in Wide Internal Spray, 500Psi Brass Valve, 6ft Hide A Hose Hand Wand, Esteam 255-085

Manufacturer: Production Metal Forming

PMF U1574S Easy Grip 4-1/2" Internal Spray Upholstery & Auto Detail Hand Wand

Part Number: U1574S | Esteam: 255-085

The PMF U1574S is a professional 4-1/2 inch internal spray hand tool designed for upholstery, auto detailing, stairs, RV interiors, furniture, and tight-area extraction cleaning. The internal spray design helps keep solution contained inside the tool head while the Hide-A-Hose design keeps the pressure hose tucked away for easier handling.

Key Features

- 4-1/2" wide cleaning head for faster coverage than narrow detail tools
- Internal spray design helps reduce overspray
- Rated up to 500 PSI
- Forged brass valve for long service life
- Easy grip handle reduces hand fatigue
- 6 ft high-pressure 1-1/4" Hide-A-Hose included
- Stainless steel 1-1/2" vacuum hose joiner included
- Built-in vacuum relief for cleaning control
- Excellent for truckmounts and portable extractors

Best Used For

- Automotive carpet and upholstery
- Furniture and fabric upholstery
- Stairs and landings
- RV, boat, and aircraft interiors
- Spot cleaning and detail extraction work

Why Choose This Tool?

The U1574S gives cleaners a wider 4-1/2" head while still keeping the tool compact enough for detail work. The hidden solution hose makes the hand tool easier to maneuver around seats, cushions, arm rests, and vehicle interiors. The brass valve and stainless joiner make this a durable choice for daily professional use.

Specifications

Model
PMF U1574S

Cross Reference

>

Esteam 255-085

Cleaning Width
4-1/2 inches

Spray Style
Internal spray

Valve
Forged brass

Pressure Rating
Up to 500 PSI

Included Hose
6 ft, 1-1/4" Hide-A-Hose

Vacuum Connection
1-1/2" stainless steel vacuum hose joiner

Important Connection Note

Quick disconnects are not included. Please select the correct male or female 1/4" brass carpet cleaning quick disconnect from the product options or add the needed connector to your shopping cart.

Recommended Add-On

For longer tool life and fewer clogging issues, consider adding an inline filter/strainer next to the quick disconnect. This helps catch debris before it reaches the valve or spray system.

Frequently Asked Questions

Is this an open spray or internal spray tool?

This is the internal spray version. Internal spray tools help control overspray when cleaning upholstery, auto interiors, and other tight areas.

Does this include the Hide-A-Hose?

Yes. This listing includes a 6 ft, 1-1/4" high-pressure Hide-A-Hose.

Will this work with a portable extractor?

Yes, as long as your extractor uses compatible vacuum and pressure hose connections. You may need the correct 1/4" quick disconnect.

Are quick disconnects included?

No. Quick disconnects are sold separately or can be selected from the available product options.

What is the advantage of the 4-1/2" head?

The wider head covers more area per pass than 3-1/2" detail tools while still being

>

small enough for upholstery, stairs, and auto detailing.
