PMF S1512 6in Open Spray Stair Tool Wand 800 PSI Stainless Steel Carpet Cleaning

Model Number: S1512

PMF S1512 6in Open Spray Stair Tool Wand 800 PSI Stainless Steel Carpet Cleaning

Manufacturer: Production Metal Forming

PMF S1512 6in Open Spray Stair Tool Wand - 800 PSI Stainless Steel
PMF Part Number: S1512
Cleaning Width: 6 Inches
Maximum Pressure: 800 PSI
Spray Style: Open Spray / External Spray
Construction: Stainless Steel
IMPORTANT: THIS LISTING IS FOR THE PMF S1512 800 PSI OPEN-SPRAY MODEL.
The PMF S1512 is a professional 6-inch open-spray stair cleaning wand designed for carpeted stairs, upholstery, automotive carpet, edges, and other areas where a conventional full-size carpet wand is difficult to use.
Built by Production Metal Forming / PMF, the S1512 features heavy-duty stainless steel construction and an 800 PSI solution valve for use with professional portable carpet extractors and truckmount carpet cleaning systems.

No

6 Inch Open Spray Stair Tool
The compact 6-inch cleaning head makes the PMF S1512 especially useful for cleaning carpeted stair treads and risers where a standard carpet cleaning wand is too large or difficult to maneuver.
The open-spray design places the solution spray outside the vacuum head, allowing the operator to see the spray pattern while cleaning.
800 PSI S1512 Model
The S1512 is PMF's 800 PSI version of the 6-inch open-spray stair tool.
PMF manufactures several versions of this same basic stair tool with different pressure ratings:

- PMF S1510 - 300 PSI Open Spray
- PMF S1511 - 500 PSI Open Spray
- PMF S1512 - 800 PSI Open Spray
- PMF S1513 - 1250 PSI Open Spray

This listing is specifically for part number S1512 - the 800 PSI open-spray model.
Heavy-Duty Stainless Steel Construction
PMF manufactures this stair tool with stainless steel construction, including stainless steel nuts and bolts, for durability in professional carpet and upholstery cleaning applications.
The tool also incorporates an extra-long handle with an assist handle. The assist handle gives the cleaning technician additional leverage when working on heavily soiled stairs and other difficult areas.
Removable Stainless Steel Visiflo Jet
The PMF S1512 uses a stainless steel Visiflo spray jet that can be easily removed for inspection and cleaning.
A clean spray jet helps maintain an even solution pattern and proper carpet rinsing performance.
Ideal Applications
The compact size and extended handle make the S1512 useful for professional cleaning applications including:

PMF S1512 6in Open Spray Stair Tool Wand 800 PSI Stainless Steel Carpet Cleaning

- Carpeted stair treads
- Carpeted stair risers
- Residential stairs
- Commercial stairways
- Automotive carpet
- RV carpet and interiors
- Large upholstery surfaces
- Carpet edges and confined areas
- Areas where a full-size carpet wand will not fit

Open Spray vs Closed Spray
The S1512 is an open-spray stair tool. The solution spray is exposed rather than enclosed within the vacuum head.
PMF also manufactures the S1512C 800 PSI closed-spray stair tool. The closed-spray version helps retain heat and reduce overspray.
If you need the 800 PSI open-spray version, order PMF S1512.
What's Included?

- Qty 1 - PMF S1512 6-inch open-spray stair tool
- 800 PSI solution valve/system
- Stainless steel Visiflo spray jet
- Assist handle

Quick Disconnect Not Included
IMPORTANT: SOLUTION HOSE QUICK DISCONNECTS ARE NOT INCLUDED.
A compatible solution-line quick disconnect may be required to connect this stair tool to your carpet cleaning machine or solution hose.
Please compare the connection on your existing solution hose before ordering additional fittings.
Professional PMF Carpet Cleaning Tool
The PMF S1512 combines a compact 6-inch cleaning head, durable stainless steel construction, an 800 PSI solution system, and an extended assist-handle design for professional stair and detail carpet cleaning.
