PMF S1511C 6in Closed Spray Stair And Upholstery Wand, Brass 500 PSI Valve, Stainless Steel Construction

Model Number: S1511C

PMF S1511C 6in Closed Spray Stair And Upholstery Wand, Brass 500 PSI Valve, Stainless Steel Construction

Manufacturer: Production Metal Forming

PMF S1511C 6in Closed Spray Stair Upholstery Wand - 500 PSI Stainless Steel
PMF Part Number: S1511C
Cleaning Width: 6 Inches
Maximum Pressure: 500 PSI
Spray Style: Closed / Enclosed Spray
Construction: Stainless Steel
IMPORTANT: THIS LISTING IS FOR THE PMF S1511C 500 PSI CLOSED-SPRAY MODEL.
The PMF S1511C is a professional 6-inch closed-spray stair and upholstery cleaning wand designed for carpeted stairs, upholstery, automotive interiors, carpet edges, and other areas where a conventional full-size carpet cleaning wand is difficult to use. Built by Production Metal Forming / PMF, the S1511C features heavy-duty stainless steel construction, an extra-long handle with assist handle, a removable stainless steel Visiflo jet, and an enclosed spray design that helps retain heat and reduce overspray.

No

6 Inch Closed Spray Stair Tool
The compact 6-inch cleaning head makes the S1511C especially useful for cleaning carpeted stair treads and risers where a standard carpet cleaning wand is too large or difficult to maneuver.
Its size also makes it useful for upholstery and other detailed extraction-cleaning applications where a smaller professional cleaning tool is preferred.
Closed Spray Design Helps Control Overspray
Unlike PMF's open-spray stair tools, the S1511C uses a closed or enclosed spray configuration. PMF states that the closed-spray design helps retain heat and prevent overspray.
This can be especially useful when cleaning stairs, upholstery, automotive interiors, and other areas where controlling the solution spray is important.
500 PSI S1511C Model
The S1511C is PMF's 500 PSI closed-spray version of its 6-inch stair cleaning tool.
PMF offers several pressure ratings in the closed-spray series:

- PMF S1510C - 300 PSI Closed Spray
- PMF S1511C - 500 PSI Closed Spray
- PMF S1512C - 800 PSI Closed Spray
- PMF S1513C - 1250 PSI Closed Spray

This listing is specifically for S1511C - the 500 PSI closed-spray model.
Heavy-Duty Stainless Steel Construction
PMF manufactures this stair tool with stainless steel construction, including stainless steel nuts and bolts, for durability in professional carpet and upholstery cleaning applications.

PMF S1511C 6in Closed Spray Stair And Upholstery Wand, Brass 500 PSI Valve, Stainless Steel Construction

The extra-long handle and assist handle give the technician additional leverage when working on heavily soiled carpeted stairs and other difficult cleaning areas.
Removable Stainless Steel Visiflo Jet
The S1511C features a stainless steel Visiflo spray jet that can be removed for inspection and cleaning. Keeping the jet clean helps maintain the proper solution spray pattern during extraction cleaning.
Typical Cleaning Applications

- Carpeted stair treads
- Carpeted stair risers
- Residential and commercial stairs
- Upholstery cleaning
- Automotive and RV interiors
- Carpet edges and confined areas
- Professional detail extraction cleaning

What's Included?

- Qty 1 - PMF S1511C 6-inch closed-spray stair tool
- 500 PSI solution system
- Stainless steel Visiflo spray jet
- Assist handle

Quick Disconnect Not Included
IMPORTANT: SOLUTION HOSE QUICK DISCONNECTS ARE NOT INCLUDED.
A compatible solution-line quick disconnect may be required to connect this stair tool to your carpet cleaning machine or solution hose. Please verify the connection on your existing equipment before ordering additional fittings.
