Model Number: 20140627

Clean Storm 20140627 - 13 Gallon Fuel and Gas Tank Aluminum For Pressure Washer and Truckmounts Bolt Down

Manufacturer: Clean Storm

Clean Storm 13 Gallon Fuel Tank Aluminum For Pressure Washer and Truckmounts . General-purpose marine fuel tank offers expanded fuel capacity and extended run time for boats, generators, pressure washers, truckmounted carpet cleaning machines, or other specialty applications using gas or diesel fuel. Works perfectly for pontoon boats and can be bolted to pontoon for permanent use. Designed for exterior areas. U.S.A.

It is the user's responsibility to comply with local, state and federal requirements pertaining to safe transportation, loading and discharging of tank contents. U.S.A.

18 1/2 in. L x 14 in. W x 12 in. H
Rust-resistant aluminum construction
0.090 heavy-duty aluminum tank
Fully welded seams

100% pressure tested and submerged to test for leaks

Tank can be used for extended use engines needing diesel, gasoline, oil and bio fuel

Pontoon, power sprayer, generator, and many other applications

0.187-ga. heavy-duty mounting tabs on the bottom of the tank

Return fuel line connection makes it compatible with all new small engines.

Both fuel connection include a draw pick up tube that draws from the bottom of the tank, so you can also use the tank to run more than one item or cut the pick up tube on one side and use as a return.

Tip: When installing on the tongue of a trailer, we like to place inside of a large tool box to prevent rocks from hitting fuel tank.

Dual 1/4" pipe connection for fuel hook up. One line can optionally be used as a return line or capped off if needed.

TX Sales tax do in the following states 15 states below: Colorado, Florida, Georgia, Iowa, Kansas, Minnesota, N Carolina, N Dakota, Oklahoma, S Carolina, S Dakota, Tennessee, Texas, Virginia and Wisconsin. Mississippi, Missouri, Nebraska
