Manufacturer: Vapamore Steam Vapor Machine

Vapamore MR-75 Portable Steam and Vapor Machine

Vapamore MR-75 Amico Portable Steam Cleaner This hand held portable steam cleaning system was designed to clean and sanitize your entire home using the power of steam. Weighing only 3.5 lbs, the cleaning possibilities are endless, from kitchen sinks to the BBQ grill and bed bug treatment. Vapamore MR-75 eliminates the need for toxic and expensive cleaning chemicals. Steam pressure is 43.5 PSI with a boiler temperature of 210 F and a heating time of 4 minutes. Features a steam hose, tool adapter, jet nozzle, squeegee, measuring cup, fabric tool covers and detail scraper tool. Also includes an array of brushes - nylon straight, grout, large and medium duty brushes, small and large brass brush and a large stainless steel brush. All accessories can be stored in the carrying case. 10 ft. long power cord. ETL Certified

.

This Vapamore Amico Handheld Steam Cleaner is a lightweight, easy-to-handle solution for cleaning without chemicals. With steam up to 210°F, this cleaner effectively eliminates dust mites, bed bugs, allergens, bacteria and viruses. A full complement of accessories is included to handle a variety of chores and surfaces. What's Included
