CTI Pros Choice CMC Color Modifying Cosmetics Color Restoration Kit for Carpet Repair 4045

Manufacturer: ProsChoice

CTI Pros Choice CMC Color Modifying Cosmetics Restoration Kit for Carpet Color Repair 4045

Description

Are you interested in getting into color repair, but don't know how to get started? Introducing the CMC Combo Kit. Offers cleaning technicians a friendly way to deal with bleach spots without resorting to liquid dyes or repair tools. This kit comes with everything you need to tackle discolored carpet and bleach spots in carpet.

Includes:

ChlorX Bleach Neutralizer

Color Modifying Cosmetic combo (Red, Yellow, Black, Tan, Blue, White, Green, and Purple)

Pros Choice: Carpet Shark

CTI Pros Choice Pro Solve Liquid 7 oz Paint Oil Grease Gum Remover

Directions

- When restoring color to bleach spots, first neutralize the bleach using ChlorX
- Apply a conservative amount of CMC Application Fluid, also known as Pro Solve NE, to the discolored fibers.
- Wipe the fibers with CMC and work the color into the fibers. If excess color is applied, wet area conservatively with Pro Solve NE and blot away the excess color.
- Use the tint colors to adjust the color as needed.

Safety Cautions

Keep out of reach of children

Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material safety data sheet. (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
