Model Number: #S42

Harvard Chemical S42, Acrylic Sealer Concentrate, 5Gal Pail (12 pail min order)

Manufacturer: Harvard Chemical Research

****Note**** - This is a factory direct item, and the cost is listed per single, but a 12 pail order is the factory minimum for order fulfillment

DESCRIPTION

Formulated to produce a durable seal when used with today's high solids formulas. This product will enhance the saving advantages of floor finishes. This durable seal dries quickly for faster recoating. We recommend this product to be used in conjunction with our floor finish products.
