Pros Choice, HD Odor Kill Plus Animal Body Mold Decay Rot and Smoke, odor eliminator, 1 Gallon Single, UPC: 078345003147

Manufacturer: ProsChoice

DESCRIPTION:
Odor Kill H.D. is a powerful, wide spectrum odor eliminator. It is ideal for all types of animal secretions, body odors, decayed food, smoke, mold, bacteria and more.

USAGE:
Odor Kill H.D. may be used on all water safe fabrics, carpets and hard surfaces.

"HD Odor Kill" Plus is fast becoming a must have for cleaners who want high performance cleaning and effective odor elimination bundled into one product. It is a product with amazing versatility for the professional cleaner.

For pet odors in homes, simply use HD Odor Kill Plus as your pre-spray, focusing on the urine deposits, then extract as usual. Simple, fast and effective.

For nursing homes, HD Odor Kill Plus is an absolute must. Just use it as a pre-spray to eliminate the multitude of odors in the hallways and in resident rooms.

For rental properties, use it to eliminate the funky smells and leave the unit smelling fresh and desirable. Managers love it.

For gym locker rooms and restrooms, it will leave your tile and stone sparkling with a fresh, clean scent.

As a performance booster/deodorizer, simply add it to your cleaning solution.

DILUTION:
Generally dilute Odor Kill H.D. with 10 parts water to 1 part product. For heavier odors dilute with 4 parts water to 1 part product. For moderate odors adjust your dilution up to 20:1 as dictated by the severity of the odor.

Steambrite Supply

Pros Choice, HD Odor Kill Plus Animal Body Mold Decay Rot and Smoke, odor eliminator, 1 Gallon Single, UPC: 078345003147

FOR PORTABLE UNITS:
For general malodors and as a fragrance for cleaning solutions dilute 1 ounce per 5 gallons of cleaning solution in portables.

FOR TRUCK MOUNTED UNITS:
Dilute from 8 to 16 ounces per 5 gallon concentrate solution (depending on level of fragrance desired) for truck mount dilutions.

CAUTIONS:
As with any cleaning product, test on inconspicuous area before using. As with all deodorizers be aware that some individuals are sensitive to fragrances so don’t over-do your application.
