Clean Storm 20150123, 1/2" FIP x 1/2" Barbed Black Plastic Hose Fitting

Description

Upgrade or repair your fluid transfer systems with the Clean Storm 1/2" FIP x 1/2" Barbed Black Plastic Hose Fitting. Designed for durability and dependable performance, this versatile connector ensures a secure, leak-resistant seal between threaded connections and flexible tubing. Manufactured from high-grade, impact-resistant black plastic, it is built to withstand rigorous daily use in pressure washing, carpet cleaning, and various industrial or agricultural fluid applications. Commonly used to convert 1/2" male pipe on water transfer pump to 1/2" hose barb.

Key Features

- **Reliable Connection:** Combines a 1/2" Female Iron Pipe (FIP) thread with a 1/2" barbed end for a secure grip on flexible hoses.
- **Durable Construction:** Made from heavy-duty black plastic designed to resist cracking, wear, and chemical degradation.
- **Leak-Resistant Design:** The barbed tail provides maximum gripping power when secured with a hose clamp, minimizing the risk of slippage or leaks.
- **Versatile Application:** Ideal for use in carpet cleaning equipment, pressure washing setups, fluid transfer systems, and general plumbing tasks.
- **Easy Installation:** Simple screw-on and push-on design allows for quick setup and maintenance without specialized tools.
