Benefits to user: These are like mini skidders or carpet glides. They protect the damp carpet from developing wood stains, rust, dye stain, dirt, and varnish marks as well as keeps the wood on the furniture from soaking up moisture from the damp carpet. The furniture slides easier back and forth and you do not have to worry about purchasing someone's carpet that you damaged. Buy more, save more. The more rolls you purchase, the cheaper they become.

Furniture Tabs are 4 inches wide, by 4 inches long X 100 ft.
